Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

(1)

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of KYL Dancers, Inc as of December 31, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Proceeding from a rich frame informed by diverse philosophies, living traditions and contemplative practices of Asian origin, the company performs original, contemporary works by its founder and Artistic Director that transcend cultural boundaries.

- Practicing a fearless physicality that resonates with the soul
- Setting in motion fresh interpretations of ancient traditions steeped in Eastern wisdom and sensibilities
- Inspiring cross-cultural approaches to community and self-discovery
- Igniting conversations about meaning and mystery.

The Company's mission was promoted primarily through: (1) performances for the public by its acclaimed dance ensemble; (2) free classes for youth in Philadelphia public schools emphasizing cultivation of mindfulness through movement; (3) classes for the public in a range of movement practices at the Company's Chi Movement Arts Center ("CHI MAC"); (4) presentation of dance performances for the public at CHI MAC through the Company's Inhale Performance Series; (5) support for dance makers and other creators through subsidized rehearsal space.

2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Company have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Presentation

The Company is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. For the year ended December 31, 2016, the Company had no permanently restricted net assets.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Contributions Receivable

Contributions receivable are stated at the amount management expects to collect from outstanding balances.

Furniture and Fixtures

All acquisitions of furniture and fixtures in excess of \$200 and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Furniture and fixtures are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using primarily the straight-line method over 5 years.

Contributed Services

Contributed services are recognized as contributions if the services (a) create or enhance non financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Company.

Restricted and Unrestricted Revenue

Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions.

2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accordingly, no provision for income taxes is provided.

The Company has reviewed tax positions taken in filings with federal and state jurisdictions and believes those positions would be sustained should the filings be examined by the relevant taxing authority. For federal income tax purposes, the returns remain open for possible examination three years after they are filed. The Company's policy is to recognize interest and penalties on unrecognized tax benefits in other expense in the statement of activities. No interest and penalties were recorded during the year ended December 31, 2016.
